Dear Friends,

It is with gratitude, pride, and achievement that we share our 2023 Annual Report. We are very appreciative of our donors, community partners, and volunteers which have all expanded. We solidified our post-pandemic bounce-back by strengthening and sustaining a solid base of events, contributors, and supporters.

Our 2023 achievements include:

- Continuing to work with Sean's summer camp program Adventure Day Camp
- Our annual Halloween Party
- Our annual Cookie Exchange

Thank you to:

- The Upper Merion Parks and Recreation Adventure Day Camp for holding a carnival for campers.
- Families who participated in our Annual Halloween Party and made generous donations.
- Friends of the Sean King Fund who joined us in the Cookie Exchange.
- We further initiated a long-range planning process that will grow the organization over the next five years. Stay tuned for new and exciting things to come!
